Comments

What did you like best about the recitation instruction?

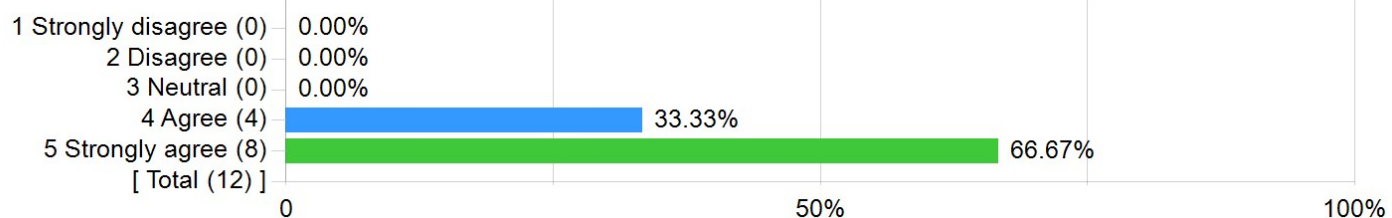

Comments
He was really nice and understanding.
Presented everything in a very easy and understandable manner. Cared about student's time, so he presented the material in an effective and time efficient manner
He was very understanding, and was a good teacher
The recitation instructor was very clear and helpful when it came to explaining examples. He was always organized and prepared for recitations by providing a variety of examples that helped to strengthen my understanding of the course material. The graphs/problems he used in the recitations were neat, easy to read, and fully explained. The instructor was always available for help and made sure to use the recitation time effectively.
The examples
Laid back
the teacher was a cool guy
How we went over the quiz questions in recitation.

If you were running this recitation, what would you do differently?

Comments
Nothing
Nothing
More in depth examples, as the slides he had to work with were not very difficult
Nothing.
Make it more engaging
nothing
Nothing. Excellent recitation.
Do more simpler problems that might of been on the test.

Diversity and Inclusion

The instructor creates an inclusive learning environment for all students.
